ABOUT THE INSTRUCTOR:

Dr. Scott Richardson DAOM completed his Masters and Doctorate degrees from Pacific College of Oriental Medicine in San Diego. There he studied under Matt Callison and was an intern at his clinic and also an intern at USCD's RIMAC Student Athlete Center.

He has lived in Colorado for the last 5 years where he has served as Vice President, President and currently as Legislative Chair of the Acupuncture Association of Colorado (AAC). He was instrumental in getting Acupoint Injection Therapy (AIT) written in to the scope of practice for Colorado acupuncturists and continues to work with the state on scope of practice issues.
